

Ready for Sampling Checklist

At JAFE Decorating, we want to ensure your project moves smoothly and efficiently through our sampling process. To get started, please confirm the following items are ready:

1. Order Details

- **Intended Order Quantity** (must meet or exceed our MOQs)
- **Target Launch Date** so we can align lead times

2. Design Assets

- **Final Artwork Files** (vector format required. AI, PFD, or ESP)
- **Color References** (Pantone codes or approved swatches)

3. Product Decisions

- **Chosen Vessel Style & Finish** (from catalog or provided reference)
- **Decoration Technique Preference** (e.g., painting, screen printing, specialty finishes)

4. Business Readiness

- **Budget Approval Secured**
- **Decision-Making Contact Identified** (so feedback and approvals are streamlined)

Please note:

- We include up to **one complimentary paint revision**; additional edits will be billed.
- A sample request fee will apply.
- Screen print sampling screen fee will apply if applicable.
- We include up to **two complimentary virtual proof revisions**; additional edits will be billed.
- If any of the above items are missing, we'll ask you to complete them before moving forward.

Next Step: Once you've confirmed these items, submit your request to our R&D team. We'll review and confirm that you're ready for sampling!
